JULY – AUGUST 2010

FROM THE TOP

Shipmates, the elections for the Ladies Auxiliary and the Men's side are over and I would like to welcome Penny Stumpf, Sue Bushfield and Susan Dietrich as directors for the Ladies and Liam MacDonald and Cory Edwards as directors for the Men. The club appreciates all the help our Directors provide. The Men have a few openings yet to be filled, Secretary, House and Sick & Visiting, so if you have the ambition to get involved please see me to discuss how you may be able to help.

Thank you to Terri-Leigh Saunders for officiating at the Installation of Officers and to Liam and Sandro for the awesome feast we enjoyed afterward. If you missed it you missed a tasty experience.

As mentioned by our Membership Director, dues are going up for 2011. If is well over 20 years since our last increase and we are still less than most if not all other organizations. Navy, Active and Associate memberships will be \$50.00, seniors qualifying are \$25.00 and Social non-voting are \$40.00.

We have an exciting year ahead of us. The kitchen with the help of Liam and Sandro is providing interesting meal options for our Friday night crowd, come out and try the food. It's great. The bus trip to Rama is in planning stages and hopefully will be done by September. We have our golf tournament booked for September 1, 2010 at Foxwood Golf and Country Club and we need support for this event. If your workplace gets involved in foursomes or donations of prizes or would sponsor a hole please contact Pete Beutler or Terri-Leigh Saunders, the co-chairs for the event. Their numbers are in the Log. Another event that is in the planning is the 2011 RCNA Reunion in May of 2011. We will need many hands to handle this event so if you are interested in participating contact special Events Co-Ordinator Terri-Leigh Saunders.

Sports Day sign up sheets are up for Sports Day in Brantford, please sign up early so that we can get everyone registered to participate.

Special thanks to Don and Cecilia Balcarras for the excellent job done providing our ailing members with visitation from the club. This is a very important job and requires special people and Don and Cecilia are definitely those people. Cam Fraser has stepped down as House Director after many years of keeping things “Ship Shape”, in Jacques Jordain terminology. Thanks Cam and if you feel the need to jump back in you know you are welcome. John Coxon has resumed a position held for years as “Master at Arms” – welcome back, John.

Business seems to be picking up a bit as the balance sheet is making your Treasurer, Peter, smile more often. We realize it is holiday season but don't forget to stop in and enjoy your club.

The City of Kitchener has given us the name sake presentation of HMCS Kitchener, received by them as part of the 100th Anniversary of the Navy program, for display in our clubroom. It is being displayed on the wall at the ship's wheel for everyone's enjoyment. We thank the City, especially Mayor Carl Zehr, for making this possible.

What about those “Sailor Girls”! Awesome job, ladies. Many hours of hard work has shown rewarding results, great job.

In closing (finally), wishing everyone a great summer. See you in the fall or sooner!

PAST PRESIDENT'S REPORT

Another term for our Officers and Directors has been completed. In our upcoming year we have lost two of our Officers and two Directors due to other commitments; thank you for your services. In turn we have two new shipmates on our Directorship this term: Cory Edwards for Nevada and Liam MacDonald as Social Ways and Means and a new old Officer in John Coxon as Master at Arms returning to his old duties. Welcome aboard shipmates. We also have three very important positions still open: Secretary, House, and Sick and Visiting. I know we have some members who sit back and knock our Officers and Directors for the job they do and think they can do better. Now is your time to step forward and help us fill these positions, so don't be shy.

I had the honour to work with Jack Gough to run the nominations and elections for the Ladies Auxiliary and was very pleased with the way things worked

out. They were very organized and things went smoothly. The Ladies also welcomed Jack and me to their dinner and we were served an excellent meal by our new chefs Liam and Sandros and their classmates. A job well done.

Just a reminder the K.W.N.A. is hosting the Veterans picnic this season. The picnic will be held on Sunday, July 4, 2010 at the Foreman's Club in St. Agatha, the same place it has been held the last few years. This event will start at 2:00 p.m. and run till 7:00 p.m. Tickets are available at the bar, \$4.00 in advance, \$5.00 at the gate. There will be fun and games so come out and enjoy.

In closing I hope everyone has a fun and safe summer.

POMP & CIRCUMSTANCE

National Peacekeeper's Day Parade & Service is coming up on Monday, August 9th at the Waterloo Cenotaph. Form up at 6:45 pm at the Waterloo City Hall parking lot; march off at 7:00 pm.

Sunday, September 19th is the Battle of Britain Parade. Form up at 1:15 pm at the Waterloo City Hall parking lot.

Have a nice summer!

**MASTER AT ARMS
JOHN COXON**

THE CREW

Our Membership drive this past year did not go too bad. We lost some members but gained some. We are holding off membership until September so new members will not have to pay 2010 and 2011 in one shot. Due to slow times

at our club the past few years our Officers, Directors and Membership who attended the June meeting passed an increase in membership dues for 2011.

Active and Associate \$50.00 Tax Incl.

Social \$40.00 Tax Incl.

Retired Members with 3 years complete \$25.00 Tax Incl.

We have not had an increase in dues for over twenty years and felt it was very important to have this done to keep our ship afloat. Many other clubs have been charging more the past few years and we felt it was our time to do so. For example, one of our Navy clubs not far from us have been charging \$85.00 a year. So we feel we are not out of line.

In our last log I gave a list of members having a Birthday and this went over very well.

July: Ken Arnett, Gerald Brown, Al Dietrich, Ron Ermel, Nelson Hofstetter, Doug (Leaf) Hunt, Bob Karges, James Kaufman, Bill Kurt, Herbert Maynard, Sid Reinhart, Duane Rose, Dennis Saunders, Brett (Stay on the Ladder) Silverthorne, Bert Thiel, Dave Veitel

August: Gord (Tooth Fairy) Campbell, Robert Chalmers, Joe Doerner, John (Love) Dreyer, Germain Fitzgerald, Murray (Transmission) Goodwin, Joe (Call me a Cab) Illig, Brian Miller, Gary Moore, Ken Pott, Frank Scott, Mark Shields, Doug Singbeil, Dan Sowa, James Way

Happy Birthday to all!

On behalf of my wife Pat, myself and our four legged son Copper have a safe and happy holiday and please continue to support your club this summer. By the way we are expecting either a brother or sister for Copper very soon. Joy to the world.

I did miss congratulating our new Ladies Auxiliary for the 2010 - 2011 season. Welcome aboard shipmates.

Just a tee hee from Larry Hart:

Dear Abby admitted she was at a loss to answer the following:

Dear Abby: I joined the Navy to see the world. I've seen it, now how do I get out?

BOB MILLER**

SPORTS

Ahoy shipmates

It's been a little while since my last report and now I have something to report. Sports Day is going to be held on September 18, 2010 in Brantford. In past reports I asked if anyone had any concerns that should be brought up at the meeting for Sports Day. Thank you to the shipmates that told me of their concerns, but unfortunately Brantford felt that there is no need to hold a meeting.

As soon as I get the sports package from Brantford it will go up on the board, so keep a watch for it and sign up as soon as possible. Now there have been a few changes made for our club:

1. You must be a member in good standing as of the cut off date for sign up
2. You must pay a fee of \$20 when you sign up. The \$20 will be returned to you when you arrive in Brantford and register to play. In the case of a family emergency or a break down on the road to Brantford you will have your \$20 returned
3. In the case of too many members sign up for any of the sports, a round robin playoff will be done. The players going to Sports Day will be determined by games, won points will be used to break a tie only. The only exception to this rule is anyone who won gold last year will automatically go this year in the sport they won gold.

That's about all I have to report on and may the seas be calm and the trade winds kind for any summer traveling you have planned. Have a great and safe summer.

DENNIS HILKER**

SICK AND VISITING

Try to make weekly calls on Herb Habel and Dick Rosch who are still at Freeport Hospital. I think they will be glad to get Herb back home as I think he likes to give the Dietician tips on how to prepare good meals. And of course there is his singing voice which he likes to keep in tune. I was there last week and he sings while pumping weights to strengthen his arms and legs. He did have a fall

about three weeks ago and had a bad bump on the head, not sure if that was good or bad. I think he was out for Father's Day on a day pass.

Not too much change in Dick Rosch's condition after the serious operation he went through. He does a lot of napping but always has a few things to say in between. He asks about some of his friends at the club. His wife Mary is always by his side and it must be hard on her as well. There are a couple of cleaning ladies that brighten things up while they do their job. I remember when I first visited Dick back in KW Hospital. The first thing he said to me was, "Is the club going to charge me more for my membership now that I won't be drinking anymore?" And my reply was, "I hope so. Got to support the club somehow." Hope things will improve for Dick.

I made house calls to Larry Boyle and Brian Miller in the last couple of weeks. As a rule it is not too long of a call with Larry but this time we had a good visit. Maybe because it might be my last call. He was feeling good and had no complaints about his health, everything well with the world. Very good, Larry.

Brian is doing okay and I think last Saturday, June 11 was his first trip back to help out with the horse races and meat draws. Always a good visit with Brian.

I heard Ray Heimpel is having a few serious health problems so I took the get well card over last Monday and sat with him for a short visit. He says he is holding his own. I'm not sure how serious it is but I do not have anymore information right now. Hear rumours and have calls into his daughter but have not heard back.

Update: Ray's daughter phoned me back and there is some improvement in his condition. He was going through some more tests Friday, June 25. Thanked membership for their concern.

Good to see Joe Doerner again at the Battle of Atlantic dinner and it was very good to see the two Joes being honoured as founding members. Joe Doerner and Joe Illig both have health problems as well so keep them in mind.

Seen Don Woelfle this past week at the club and he was moving pretty slow. He said he had fallen and bruised himself pretty bad but was now on the mend. I believe he said it happened about three weeks ago, gotta watch these old fellas. Take care Don, let us know sooner when you have a home accident.

I would be remiss if I did not mention my Blackhawks as Stanley Cup champs for 2010. To Walter and Terry this is my third Cup in the last 77 years. You two were hardly out of diapers when I enjoyed my first one 1933, 1938, 1961 and 2010. The NHL had officially been formed in 1926 so it did not take too long. Bobby Miller and Ron Herter might be interested to know they beat the Wings for their first Cup and the Leafs for their second one. Just thought you might be interested. Eat your heart out.

No doggie stories this time and I hope Denise and Christy will be able to get through this okay as seems to have gone on too long. Take it easy Charlene, it won't be too much longer.

As you know I have decided to retire as your Sick & Visiting Director after a very enjoyable ten years. It does not seem right to use that word enjoyable for this Directorship but I did just that. I have met a great many wonderful people over the years who might have just been a name and nothing more. But when they were sick and I called on them it is surprising where a conversation will take you. They have come from all different walks of life. Vets we have talked about some of our experiences, or in the work force, our children and so forth. I had the privilege of meeting their spouses and in many cases children, and from older club members not by age but by length of being a member, the fun they had over the years. When I visited John Kenny at home he talked about barbeques that he was invited to so as sick as he was there is always something to get you by. Jack Misner and Stan Berry always had to have one more puff before I took them back to their rooms at Freeport and also play Big Band on the piano. Some have passed away much too young. Then I think Jim Logel has a bad spell every once in awhile. I think he just wants to get back and visit with the nurses who I think he drives them nuts when he is there.

All in all I thank all of you for your kind words and compliments over the years. I should say Ceal and I both thank you.

**SICK & VISITING DIRECTOR
DON BALCARRAS**

Note from the Editors: You have been great, Don. We will miss your reports.

It's been a busy week. I attended the Warspite Annual Review in New Dundee and the Cadets put on an excellent program, a marching drill with no commands, an inspection by Lt. Colonel M.B. Armstrong, CD.

The band has really improved and did a great job at the Wrens function for the planting of the Navy Lady Rose. They attended the Decoration Day in Williamsburg and their bugler did a great job with the Last Post.. I represented the Club at Br. 50 for their D-Day memorial. A Navy Lady Rose was given to the Club

by Frank Fox to be planted at the Veterans Green Memorial and this was done with the help of Kevin Zach, from the city, Mamie Stinchcomb and myself. We have one more to plant that has to be delivered. Pictures of the planting were sent to the Toronto Wrens.

Terri Leigh assisted with the Men's election and Bob Miller and I assisted with the Ladies. The results have been published in this edition of the Log. We still need a Secretary, Sick & Visiting and a House chairman. A new member has stood for the Ways and Means and Social Director, our thanks to Liam Mac Donald, and Cory Edwards has joined the executive as Nevada Director.

JACK GOUGH**

GROUNDS

Ahoy Mates! First off, I'd like to thank you all for your support his past year. This year I hope to make some more noticeable improvements outside to enhance our club even further. Speaking of noticeable improvements, I hope everyone is happy with our new patio! It has really come together! A HUGE thanks to Ken Pot, Ron Hiebert, Johnny 'Love' Dryer and Jerry Fetter in putting up the lattice and gable work. Great job, guys! Another thanks to Bill and Marilyn Babcock for their donation of a table and accessories, too. Last but not least, to Jerry Fetter for his chairs to go with the tables. Oh yes, and Pete Beutler for picking up the materials (back and forth and back and forth). Thanks a bunch! So please come out and see how great "our members did" on the new patio.

I have planted 15 tomato plants and many, many flowers this year as well and they seem to be taking a great hold. The navy rose donated by Frank Fox has come up fantastic. Thanks Frank! Looks great.

In closing, I'd like to say I think we have one of the most outstanding clubs in the area and I will try to make it even nicer for the members outside this year. Have a great summer everyone! Health and happiness to all!

P.S. Special thanks to the members who water our plants when I'm not there. Cheers!

LADIES AUXILIARY PRESIDENT'S REPORT

Hi Ladies! Thank you to everyone for your support and faith in me, to represent the Ladies Auxiliary, as your President, for another term. A special thanks to the executive officers and directors for a job well done, making my job a little easier.

We have a few changes to our board this term. Suzanne Bushfield will be looking after the Ladies Social. Penny "the Peeler" Stumpf is the newest Catering Director. Susan Dietrich has returned to look after the Sick and Visiting. Eunice Lambert, will wear a second hat, as the Telephone Director. Eunice is also returning as a Catering Director. Congratulations Ladies. Please show your support to these ladies as they take on these positions. Thank you to Isabel Vincent (Social), Cecilia Balacarras (Sick & Visiting) and Eleanor Horrell (Telephone) for a job well done when they held their respective positions. Thank you, Jack Gough and Bob Miller for looking after the nomination and election nights. It was super to have you both at our year end dinner.

Congratulations to the men who have been acclaimed, elected, or appointed to their respective positions (as stated in previous reports).

Congratulations to Valerie Yates on receiving her Ladies Auxiliary Pin. Wear it with pride.

As always, many thanks to the volunteers that have stepped up to help out, sometimes at the last minute. We always manage one way or another, to get the job done.

The Ladies have had the opportunity to have 4 event evenings out of the Kitchen this term. The first, being the KWNA 50th Anniversary and Battle of the Atlantic Banquet, a wonderful evening catered by Gourmet Affair. The music and especially the entertainment were great. Truly a memorable evening all around. Thank you to Terri-Leigh for putting it together fashionably. Secondly, the Ladies Christmas Dinner, catered by the men and superb, as always. Third, Ladies Year-end Dinner that was catered by Head Chef, Dean Michielsen, of Liason College, and his crew. And finally, the luncheon for Installation of Officers prepared by chefs Liam and Sandro. Great job, gentlemen. The Ladies could certainly get very used to all this pampering.

Installation was light on member support, which was disappointing. Please refer to the Calendar of Events frequently so as not to miss out on the happenings at "Your Club."

Veteran's Council Picnic is on Sunday July 4. KWNA picnic is on Sunday August 29. Tickets for both events can be purchased at the bar. See posters for detailed information.

Ladies, please take note that the General Meeting in September will be held on the THIRD Wednesday of the month. See you all on September 15, 2010 to kick off the new term.

Have a safe and healthy summer!

SOCIAL

Dear Ladies: Happy Birthday to you if your special day is in July or August.

Congratulations to all of you in your positions and welcome to the new ladies. It is nice to see some new faces stepping forward. There are always rewards with new challenges.

It was a pleasure for me to be your Social Director. Hope you enjoyed some of the topics that were presented to you. Have a great and safe summer. God bless you all, see you in September.

SICK & VISITING

Hi Ladies. In a telephone conversation with Lillian Boehm she let me know that Joyce Fulton was having a cataract removed from her right eye. I called Joyce and she said it went well and she is fine. Lillian is also doing well.

Kaye Hill is now in Forest Heights where she will get extended care.

Well ladies, this is my last report and I would like to let you know how much I appreciated all the praise and encouragement you have given me in the past. I know you will do the same for Susan Dietrich who was doing a great job before and will do so again.

Have a great summer and stay healthy. See you at the next meeting or at the club, whichever comes first.

**SICK & VISITING DIRECTOR
CECILIA BALCARRAS**

THE GALLEY

We are still running at a steady pace with our Friday, Saturdays and Wednesday Spaghetti's. Catering functions are down this year, so if you have an opportunity, let people know we have the best rental hall and catering in town.

Please take notice of the "HELP WANTED" poster in the log. Volunteers are still needed to help out in the Galley. Please do not feel intimidated, we are willing to train. **"More hands make less work"**.

Thank you to Charlene and John Wastell for all the hard work over the past years. Enjoy your free time.

As everyone is aware, we now have to pay HST. Also, due to the rise in prices on food and supplies we need to increase all prices in the Galley, as well as catering. We have not had an increase since February 2008 and can no longer put it off. Catering price increases go into effect July 1. Galley price increases will go into effect as of September 1.

The Friday Dinner Specials for July and August are posted in this issue of the Log. Please make an effort to come out for dinner on a Friday evening in support of chef's Liam MacDonald and Sandro Bertoli.

Friday August 27 Dinner Special is a STEAK BBQ. See poster for all details. Tickets must be purchased in advance. **DEADLINE FOR TICKET PURCHASES IS FRIDAY AUGUST 20 – NO EXTENSIONS!**

We thank all of our members and guests for your continued support.

Have a great summer of vacations and travel safe.

RELAY FOR LIFE

We wish to say a great big THANK YOU from all of us for all you did in assisting us in our "all night" walk on June 11 to fight cancer.

Your participation in sponsoring us, buying 50/50 tickets, donating to and bidding on the silent auction, attending the Elvis afternoon, and any other way you helped us in our goal is greatly appreciated.

We, in total, raised \$9808.13. For this we received a Silver Award plaque, the second one, last year we had a Gold Award plaque which means over \$10,000 raised. We were short a bit but not because we didn't get your total support. We again sold the most luminaries - 66 in total.

We received an award this year for the Best Tent Design. Our tent featured John Travolta in complete sailor uniform including bell bottoms. We have some very talented girls on the team, eh Suzanne B. and Linda B.

AND we again, FOR THE THIRD YEAR, were one of the "Dream Teams" in this event.

All in all, all we can say is THANK YOU AGAIN FOR ALL YOUR SUPPORT!
