### SEPTEMBER – OCTOBER 2010

## FROM THE TOP

Shipmates, can you believe September is here already, I guess there is some truth to the older you get the faster time flies, do you think it has something to do with being busier or seemingly so as you get older? Interesting thought, anyway we had a terrific summer weather wise for a change, maybe too hot for some but a good old summer from what I remember.

Things are picking up at the club function wise through September. Sports day in Brantford on September 18, regular Saturday events in the club room, Barbecue events (check the calendar), roast beef dinner October 24. Tickets for the roast beef dinner are available at the bar as well as from myself and other officers. This is being organized by Mel Barrie and he is a master at ticket sales and looking for no less than a sellout. Don't forget Navyfest, always a good time. Another function is a bus trip to Rama, watch for a poster on the board for info. We will leave from the club October 12 at 8am and return at around 6pm, hopefully an enterprising day.

Memberships are available at the bar for 2011, early bird draws for October and November registrations (you could win a free membership). Don't wait, get yours early and save Bob Miller from hunting you down and extracting your dues from you. People say with his new puppy keeping him up has made him visibly grumpy. Check Membership report for new Dues this year and meeting times this term.

The picnic, held at the club this year, was a success. A very hot day, available shade supplied by Dennis Rooney in the way of 2 – 20 x 10 shelters (thanks Dennis), A/C supplied by KW Naval Association which filled the club room and washoes played in the banquet hall was a hit as well. A noticeable difference was no horse races which will be fixed for next time around (Ways and Means Director Liam MacDonald was held up at work and was late attending). Thanks to Labatts Breweries for supplying door prizes.

We are still looking to fill positions on the Executive. Needed are SECRETARY, HOUSE and SICK & VISITING if you are or know someone interested please contact me or another officer of the club and we will provide information regarding the duties. The Secretary position is a very important position in that for all club correspondence a signature of the President and Secretary are required. Step up if you are interested, don't be bashful!

Sports in the club has taken a turn and getting heavily involved in darts. We have been approached to host a Friday night dart league which we are going forward with. This means that as well as the Monday night darts league that we sponsor teams, we will have teams playing here Fridays as well. Possibility exists to host the Ontario events in the future also. There is a request, depending on needs, to convert our current pool room to a dart room. Business wise it makes total sense to change the pool room to a dart room since revenues from the pool room are basically non-existent and revenues from darts are definitely significant. This will be brought up for discussion at our September General Meeting so if you care to express an opinion for consideration, plan to attend the meeting.

The RCNA Annual General Meeting will be held in Burlington this year which I will be attending on behalf of the club and as RCNA Divisional Vice President for South Central Ontario, September 23 to 27. The DVP position is a bit of a challenge, but as the first Non-Naval DVP it is an honour for me to serve and I will manage the position to the best of my ability.

What about those "Sailor Girls", \$9,800+! Awesome work gals, best of luck for next year.

Don't forget your kids, grand kids, great grand kids, Christmas Party December 5, 2010. Application is in "The Log" so fill it in early to be sure you are included.

Thanks to Liam and Sandro for providing interesting menus for Friday night dinners, all reports are favourable, keep up the good work.

In closing, we are supported by members who care about the well being of the club and we thank you!

Hope to see you all soon!

**PRESIDENT  
MIKE EDWARDS**

# PAST PRESIDENT'S REPORT

I hope everyone had a good summer. Here we are the beginning of September and in the middle of another heat wave. This beat the hell out of last summer. Our membership attendance at the club was down a little in the past few months but we got through thanks to our loyal members.

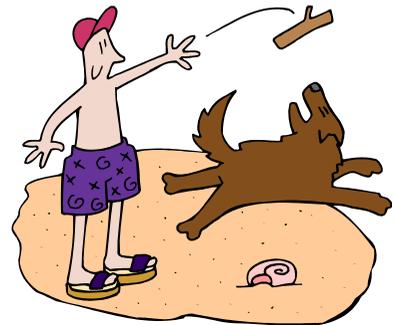

I know our Directors are gearing up for another busy season. They have many things planned so please read the Log and check for posters that will be put up in the hall, in fact just come to your club and find out first hand. That would be a great idea, you think?

There is one new event added to this year's agenda.

K - W NAVAL ASSOC.  
AUTUMN ROAST BEEF DINNER  
SUNDAY, OCTOBER 24, 2010  
2:00 - 6:00 P.M.

This event will feature top sirloin with all the trimmings. Food served at 4:00 p.m. Only \$12.00 per person. Live music by Olde Tyme Country Band. This is the same group that played at our fish dinner which we all seemed to enjoy. This will be put on by Mel (Green Bay) Barrie and his wonderful staff. Mel did a great job on the fish dinner and said he will top that. Call the KWNA to reserve your tickets. Remember you don't have to be a member so invite your friends, neighbours or maybe even your in-laws. That should make for a real great unforgettable meal. I hope.

Well, that's all for now. Oh, by the way we have had a new member to the Miller clan. His name is Shadow and only nine weeks old, he might see ten if he is lucky. Just kidding, he is giving us lots of exercise.

**PAST PRESIDENT  
BOB MILLER**

## POMP & CIRCUMSTANCE

Sunday, September 19<sup>th</sup> is the Battle of Britain Parade. Form up at 1:15 pm at the Waterloo City Hall parking lot.

**MASTER AT ARMS  
JOHN COXON**

## THE CREW

Once again it's Membership renewal time. Please don't wait until the last minute to renew. I hate chasing after members looking for money. The biggest excuse I get is I didn't know it was that time again, and that is in February. Did you know that you are already two months late.

We do have two early bird draws in October and November. Who knows, you might get a free Membership for the year. Remember our new rates for this year:

- \$25.00 - Seniors with 3 years of membership
- \$40.00 - Social with no voting privileges
- \$50.00 - Active & associate

These rates are still lower than most other service clubs. Our new membership cards should be out just after Labor Day, but that doesn't mean you have to wait till then.

This year we are going back to our old membership meeting times, seeing that Sunday meetings did not generate any more members coming out. This was approved at our last meeting. Tuesday evening meetings in Sept., Oct., Dec., Feb., Apr., May and June at 8:00 P.M. Sunday meetings in Nov., Jan. and Mar. at 2:00 P.M. Hope to see you there.

Our Birthday members for Sept. and Oct. are as follows:

Sept.: Ron Carey, John (on the busses) Coxon, Earl (Vegas) Doerfler, Murray (need a passport) Flood, Richard (Siskin) Hall, Paul (rocking shoes) Harris, Terry (snow blower) Hartman, Dave (BS table) Heffernan, Ron (you think so) Hiebert, Norman Leach, Doug McClement, Ken McLennan, Wayne Miller.

Oct.: Trevor Cready, Gavin Currie, Mike (Big Kahuna) Edwards, John (am I too easy to) Forget, John George, Bert Gingrich, Doug (another) Gow, Daniel (ex grease monkey) Grimm, Dennis Karges, Jim (habitat) Logel, Jim Randall, Wayne Robinson, Werner (Klink) Schaefer, Dean Schoff, Michael Shaw, Len Sherrer, Thomas Thompson, Nick (still kicking) van der Meulen, Trent Wagler, Gord Wesley, Kevin (where's my kilt) Zach.

Talk to you in the next Log.

**MEMBERSHIP DIRECTOR  
BOB MILLER**

## **SICK AND VISITING**

I had short visits with Herb Habel, Ray Heimpel and Dick Rosch about the middle of August.

Herb is having a walking issue as his legs won't seem to co-operate. Visited on two occasions since he left Freeport and things are not too well in that respect. He loves to sing and misses his Sunday morning choir. Hope things will improve, Herb.

Visited Ray yesterday. He told me everything is going okay. I'm not sure if he has been into the club or not. Nevada tickets will miss Ray. Take care.

I was over to visit Dick as well. He is glad to be home, but not too happy with the warm weather. I believe Mary has health care workers to give her a hand with Dick. Hope to visit again soon.

I did not get around to see Jim Logel and there was no answer to my phone calls. They may be up at the trailer. I'll try again later in the month.

I heard Billie Sheridan was having a few health problems. I think Dennis Saunders knows more.

## SERVICE OFFICER

I hope everyone had a healthy and safe holiday over the past months.

The Scout House held a Tattoo at the Waterloo Stadium in honor of the 100<sup>th</sup> Anniversary of the Royal Canadian Navy. Mamie Stinchcombe, Petty Officer Belva Gorniak and I represented the R.C.N. and Belva the U.S.N. The Ladies carried the Canadian flag and the American flag which were hoisted by Warspite Naval Cadets. I had The honor of ringing the Cambridge ships bell to start the proceedings. We were escorted by the R.C.M.P. We had hoped to include Bob Jordan, our Merchant Navy member, but Bob has been ill.

Barb Kenny's grandson Corporal Will Werth, a soldier wounded in Afghanistan, was honored at the Waterloo Council meeting this week.

On a sadder note, our Poppy Chairman Jim Ashton of Branch 530 passed away. Our condolences to Rae Ashton and family. We will miss him.

## GROUNDS

Ahoy mates! I hope everyone had a great summer! It sure was a hot one! I'm really looking forward to the upcoming seasons.

I hope everyone is happy with our patio. It wouldn't have been done without our dedicated volunteers help. Special thanks to Ken Pot and Ron Hiebert for their input. I'd also like to thank Larry Goodwin for his many donations of tarps, etc. for the patio. It will really come in handy during the winter months out on the patio. I'll be starting soon to get everything shipshape for the colder seasons. Time sure does fly!

Oh yes, another big thanks to Pete Beutler and Murray Flood for keeping our lawn and flowers looking good while I was on holidays. The flowers looked real good this year! Thanks to Denise Misner and Pat Doyle for watering the patio flowers as well. Finally, thanks to Dennis Saunders for the great butt can for the patio. Many thanks to all!

Well, not much more to say other than have a great fall everyone! Good health and happiness to all. Till next time mates!

Requests for donations have gone out to a number of different companies however we are more than happy to accept donations from other sources. If you wish to make a donation of a new item or gift card please let me know.

I have also had a few people approach me volunteering their services for the night of the event, however the event would benefit from having a couple more. If anyone else wishes to assist, please get in touch with me.

We are currently looking at the 13th of November as the day we will assemble the care packages. If you are free that day and would like to come and help out, please let me know.

# MEMBERSHIP

Hi Everyone.

Wow and more wow. This summer, for anyone who loves heat, this was the year but let me tell you anyone who doesn't like humidity it was brutal. One of the sad things with submitting this log is that summer is almost gone.

On that note we are now going to start another new year at the Navy Club. I do hope everyone had a great summer season off. Now it is time to say hello and welcome back ladies.

Membership is now due for anyone who has not paid. The fee is \$12.00 this year, up \$1.00 from previous years. This fee must be paid before or at the general meeting in September. Please note you can pay at the bar and receive your membership card at that time. If you have any questions or concerns about this please contact me.

I am looking forward to seeing each and everyone again as the summer is always busying and we go our different ways. So see all you ladies on September 15 at 7:30 pm.

I leave you with this thought.

What everyone wants from life is continuous and genuine happiness.

## THE GALLEY

Thank you to all the volunteers for Saturday Breakfast, both men and women, who have stepped up to help out. The scheduling is going well. We do however need someone to COOK on Saturday September 18 (Sports Day), as most of our Cooks are participating in various events. If you can lend a hand please contact me (Marilyn W).

Friday evening dinners are very successful. Many thanks to Liam MacDonald and Sandro Bertolli. A huge thank you to Mary Anne for covering almost every Friday (all summer) on cash. We need cashiers and dish washers for Fridays. Again, if you can help out, please contact Mary Anne or myself and we will put you on the schedule.

Help will be needed for our Navyfest Weekend. Friday October 8 to Sunday October 10. We will require more helpful hands for the Beef Dinner on Sunday October 24th.

Please note that effective September 1, 2010 we have implemented PRICE INCREASES across the board for the galley. The catering price increases went into effect July 1, 2010.

We have not had much catering over the summer. Hopefully, things will pick up.

Thank you to all the patrons for your continued support.

# RELAY FOR LIFE

We wish to say a great big THANK YOU from all of us for all you did in assisting us in our "all night" walk on June 11 to fight cancer.

Your participation in sponsoring us, buying 50/50 tickets, donating to and bidding on the silent auction, attending the Elvis afternoon, and any other way you helped us in our goal is greatly appreciated.

We, in total, raised \$9808.13. For this we received a Silver Award plaque, the second one, last year we had a Gold Award plaque which means over \$10,000 raised. We were short a bit but not because we didn't get your total support. We again sold the most luminaries - 66 in total.

We received an award this year for the Best Tent Design. Our tent featured John Travolta in complete sailor uniform including bell bottoms. We have some very talented girls on the team, eh Suzanne B. and Linda B.

AND we again, FOR THE THIRD YEAR, were one of the "Dream Teams" in this event.

All in all, all we can say is THANK YOU AGAIN FOR ALL YOUR SUPPORT!

# THE LAST POST

The following was sent by e-mail and I'm not sure if it is true or not, but it is an interesting story...

"We have all heard the haunting song, 'The Last Post.' It's the song that gives us the lump in our throats and usually tears in our eyes. But, do you know the story behind the song? If not, I think you will be interested to find out about its humble beginnings.

Reportedly, it all began in 1862 during the American Civil War, when Union Army Captain Robert Ellicombe was with his men near Harrison's Landing in Virginia. The Confederate Army was on the other side of the narrow strip of land. During the night, Captain Ellicombe heard the moans of a soldier who lay severely wounded on the field. Not knowing if it was a Union or Confederate soldier, the Captain decided to risk his life and bring the stricken man back for medical attention. Crawling on his stomach through the gunfire, the Captain reached the stricken soldier and began pulling him toward his encampment. When the Captain finally reached his own lines, he discovered it was actually a Confederate soldier, but the soldier was dead. The Captain lit a lantern and suddenly caught his breath and went numb with shock. In the dim light, he saw the face of the soldier. It was his own son. The boy had been studying music in the South when the war broke out. Without telling his father, the boy enlisted in the Confederate Army.

The following morning, heartbroken, the father asked permission of his superiors to give his son a full military burial, despite his enemy status. His request was only partially granted. The Captain had asked if he could have a group of Army band members play a funeral dirge for his son at the funeral. The request was turned down since the soldier was a Confederate. But, out of respect for the father, they did say they could give him only one musician. The Captain chose a bugler. He asked the bugler to play a series of musical notes he had found on a piece of paper in the pocket of the dead youth's uniform. This wish was granted. The haunting melody, we now know as 'The Last Post' used at military funerals was born."

## THE LIGHTER SIDE

A senior citizen drove his brand new Corvette convertible out of the Dealership and past the Tim Horton's. Taking off down the Trans Canada, he floored it to 120 kph, enjoying the wind blowing through what little hair he had left.

"Amazing!" he thought as he flew down the highway, pushing the pedal to the metal even more. Looking in his rear view mirror he saw the RCMP behind him, red and blue lights flashing and siren blaring.

"I can get away from him, no problem!" thought the elderly nut case as he floored it to 130 kph, then 140 kph, then 150 kph. Suddenly, he thought, "What on earth am I doing? I'm too old for this nonsense!" He pulled over to the side of the road and waited for the Mountie to catch up to him.

Pulling in behind him, the Officer walked up to the driver's side of the Corvette, looked at his watch and said, "Sir, my shift ends in 30 minutes. Today is Friday. If you can give me a reason why you were speeding that I've never heard before, I'll let you go."

The man looked at the Mountie very seriously and said, "Years ago, my wife ran off with an RCMP Officer. I thought you were bringing her back."

"Have a good day, Sir," said the Mountie.
